What our clients and partners are saying

“We are honored to partner with Prepared to Thrive. This partnership gives our families consistent help and allows them to get needed baby and child supplies that they otherwise may have to go without. Clothes, diapers, books, toys and toiletries are all basic needs that all children deserve. Prepared to Thrive gives families this opportunity.” ~Linsday B, CCIU Young Parents Program

“When expectant mothers receive essential baby items, you can see hope on their faces. Their gratitude and kind words remind us why this works matters. Thank you Prepared to Thrive for providing hope, dignity, and safety to the families we serve.” ~Karla C, Senior Coordinator, MCHC

“It’s not just the basic needs you’re helping our families meet. The love and care you put into every package make them feel respected, valued, and truly seen. They are always so grateful—and we are too.” ~ Delfina C, YoungMOMS
