What our clients and partners are saying

“I can see the gratitude on my clients' face when they get their items from P2T. Knowing this is one less thing they have to buy with their hard earned and limited money is a relief to them. They always appreciate the items, as these are essential, but expensive items for them to purchase. On behalf of my clients, THANK YOU!!”
~P2T partner organization

“I work with families that are unhoused or displaced. P2T has been a tremendous help, life changing in the toughest moments for our families. They provide clothing, diapers, strollers, toys, books, and many other items. Myself and the families we serve are so grateful for their support.”
~CCIU Homeless Outreach

“They helped me when I was in need. I was in a terrible situation and out of luck with all doors closed until I found P2T. And I will always be thankful for all the help and will forward it on to others.” ~Client
